

2012 AAAG Membership

The American Association of Anthropological Genetics (AAAG), an educational and scientific organization, was founded in 1994. AAAG aims to:

1. Promote the study of anthropological genetics, as this field is broadly defined
2. Facilitate communication between individuals engaged in the study of anthropological genetics
3. Foster cooperation among anthropological geneticists.

Membership is from January 1 - December 31 of each year, which may or may not match the period of your journal subscription. To join or renew an existing membership please visit our website at www.anthgen.org/aaag_membership.html, or return this form with your check for the appropriate membership fee to (for foreign members, bank drafts are also possible):
